A wife was complaining about her husband spending all his time at the pub, so one night he took her along.

"What'll ya have?" he asked.

"Oh, I don't know. The same as you I suppose," she replied.

So the husband ordered a couple of Jack Daniel's and threw his down in one go. His wife watched him, then took a sip from her glass and immediately spat it out.

"Yuck, it's nasty poison!" she spluttered. "I don't know how you can drink this stuff!"

"Well, there you go," cried the husband. "And you think I'm out enjoying myself every night!"

A new pastor moved into town and went out one Saturday to visit his parishioners. All went well until he came to one house. It was obvious that someone was home, but no one came to the door even after he had knocked several times.

Finally, he took out his card, wrote on the back "Revelation 3:20" and stuck it in the door.

The next day as he was counting the offering, he found his card in the collection plate. Below his message was notation "Genesis 3:10."

Revelation 3:20 reads: "Behold, I stand at the door and knock. If any man hear my voice, and opens the door, I will come in to him, and will dine with him, and he will with me."

Genesis 3:10 reads: "And he said, I heard thy voice in the garden, and I was afraid, because I was naked."

A customer sent an order to distributor for a large amount of goods totaling a great deal of money. The distributor, noticing that the previous bill hadn't been paid, instructed the collections manager to contact the customer.

The collections manager made the call and left a voice-mail for them saying, "We can't ship your new order until you pay for the last one."

The next day the collections manager received a collect phone call from the customer who said, "Please cancel the order. We can't wait that long."

A woman came home to find her husband in the kitchen, shaking frantically with what looked like a wire running from his waist towards the electric kettle. Intending to jolt him away from the deadly current, she whacked him with a handy plank of wood by the back door, breaking his arm in two places. Until that moment, he had been happily listening to his Walkman!

Q: What do you call a woman who knows where her husband is 24 hours a day/seven days a week?

A: A widow.

He who gives in when he's wrong is wise, but he who gives in when he's right is married.

You admit having broken into the dress shop four times?"

Asked the judge.

"Yes," answered the suspect.

"And what did you steal?"

"A dress, Your Honor," replied the subject.

"One dress?" echoed the judge.

"But you admit breaking in four times!"

"Yes, Your Honor," sighed the suspect. "But my wife didn't like the color."

Drinking a completely inebriated man was stumbling down the street with one foot on the curb and one foot in the gutter. A cop pulled up and said, "I've got to take you in, pal. You're obviously drunk." Our wasted friend asked, "Officer, are ya absolutely sure I'm drunk?"

Yeah, buddy, I'm sure," said the copper. "Let's go." Breathing a sigh of relief, the wino said, "Thank goodness, I thought I was a cripple."

Q. What's the difference between a hamster and a cow?
A. Cows survive the branding.

I made the decision to finally do something about the 600 pounds I'm carrying on my 5'4" frame. So, I headed down to the local sports shoe store and was just amazed at the tremendous selection of different shoes. Flat arch, high arch, over-pronator, neutral-pronator, under-pronator . . . my God! I finally selected a pair and, as I was trying 'em on, I asked April, "What's this little pocket thing on the side for?" She said, "Oh, that's to carry spare change so you can call me when you've jogged too far."

A little child in church for the first time watched as the ushers passed the offering plates. When they neared the pew where he sat, the youngster piped up so that everyone could hear: "Don't pay for me Daddy, I'm under five."

Two bored casino dealers were waiting at a craps table.

A very attractive blonde lady arrived and bet twenty thousand dollars on a single roll of the dice.

She said, "I hope you don't mind, but I feel much luckier when I'm nude."

With that she stripped from her neck down, rolled the dice and yelled, "Mama needs new clothes!"

Then she hollered... "YES! YES! I WON! I WON!" She jumped up and down and hugged each of the dealers. With that she picked up all the money and clothes and quickly departed.

The dealers just stared at each other dumbfounded.

Finally, one of them asked, "What did she roll?"

The other answered, "I thought YOU were watching!"

Moral of the story: Not all blondes are dumb.

A middle-aged woman has a heart attack and is taken to the hospital. While on the operating table she has a near death experience. During that experience she sees God and asks if this is it. God says no and explains that she has another 30-40 years to live. Upon her recovery she decides to just stay in the hospital and have major cosmetic surgery: a face-lift, liposuction, tummy tuck, etc. She even has someone come in and change her hair color. She figures, since she's got another 30 or 40 years, she might as well make the most of it. She walks out the hospital after the last operation and is killed by an ambulance speeding up to the hospital. She arrives in front of God and asks, "I thought you said I had another 30-40 years?" God replies, "Sorry, I didn't recognize you."

A husband and wife were at a party chatting with some friends when the subject of marriage counseling came up. "Oh, we'll never need that. My wife and I have a great relationship," the husband explained. "She was a communications major in college and I majored in theatre arts."

He continued, "She communicates well and I act like I'm listening."

Two elderly ladies meet at the market after not seeing each other for some time. One asked how the other's husband was doing. "Oh! Rodger died last week. He went out to the garden to dig up a cabbage for dinner, had a heart attack and dropped dead right there in the vegetable patch."

"Oh dear, I'm sorry," replied her friend, "What did you do?"

"Opened a can of peas instead."

Census Taker: "How many children do you have?"

Woman: "Four."

Census Taker: "May I have their names, please?"

Woman: "Eenie, Meenie, Minie and George."

Census Taker: "Okay, that's fine. But may I ask why you named your fourth child George?"

Woman: "Because we didn't want any Moe."
